The Colorado District Attorneys' Council would like to invite you to be a part of our Fall Conference at Beaver Run Resort in Breckenridge, Colorado from September 10-13, 2017.

CDAC is a statewide organization formed by intergovernmental agreement between the various elected district attorneys. Our mission is to train prosecutors and law enforcement officers throughout Colorado, to actively share information between offices around the state, and to work in the legislature on matters related to criminal justice. The district attorneys and their staff members in Colorado are responsible for the prosecution of all violations of state law ranging from low end traffic violations to DUIs to crimes against children, domestic violence, sexual assaults, and homicides.

This three day training conference is attended by over 600 professionals representing the offices of both state and municipal prosecutors from all regions of Colorado. Participants learn up-to-date information and best practices in prosecution, as well as network with other professionals in Colorado.

We offer three sponsorship levels that include exhibitor space and a variety of individualized contribution opportunities to meet your needs. Your sponsorship of this event supports the Colorado District Attorneys' Resource Foundation, Inc.*

Please refer to the attached document for opportunities to contribute. To discuss additional partnership opportunities, please email us at info@cdac.state.co.us.

Plan now to join us in Breckenridge at the Beaver Run Resort from September 10-13!

Thank you,
