Mothers Against Drunk Driving (MADD) Victim Impact Panel Program

Program Updates:
We are excited to announce two important changes to our Victim Impact Panel program.
1. Attendees who have a court case number may attend pre-sentence and without a court-order.
   - We believe early intervention and prevention is more effective and by making this change it will allow our Victim Impact Panel program to be more successful in reducing recidivism.
   - However, if someone who is convicted of a DWAI, DUI, DUID, MIP, or MIC hasn’t attended a Victim Impact Panel we hope you will require them to do so.
2. Online registration system for English language Victim Impact Panels.
   - To register for a MADD English language Victim Impact Panel, go to our website at www.maddvip.org.
   - Register and pay online with a credit card.
     - By paying online it reserves their seat
   - Attendees can register online and pay onsite at a panel with a money order, however their seat will not be reserved.
   - Attendees will still be able to register and pay with a money order at a VIP without registering online. MADD will not be able to accept credit card payments, cash or personal checks onsite.
   - Spanish language Victim Impact Panel will need to register on-site and pay with a money order at this time.

Program Requirements:
- Photo ID
- Court Case Number
- Fees payable through online registration with a credit card or in-person with a money order payable to MADD.

Important Notes:
Over the past couple years we have been receiving complaints of people arriving extremely early to attend a panel. All of the locations MADD utilizes has other functions besides holding panels and it has become an increasing issue for those venues. Please advise attendees to arrive no earlier than an hour prior to the start of the panel time for registration.

MADD Colorado’s website, www.maddvip.org and VIP phone line 303-425-5905 always has the most up-to-date information about panel cancellations due to weather or unforeseen circumstances and/or location changes.

Thank you for your continued support of MADD’s Victim Impact Panel program and for the work that you do.

Please don’t hesitate to contact me with any questions.

Respectfully,
